

This form is to be used to provide notice to Local Land Services (LLS) of intended clearing under

- Part 2 Division 1 (Low impact clearing of invasive native species) of the Land Management (Native Vegetation) Code 2018:

The notification form must be completed for this to be a valid notification. If you require assistance to complete or submit this form, contact your Local Land Services - Sustainable Land Management Regional Services Officer.

Note: Clearing is not authorised if the person undertaking the clearing harms an animal that is a threatened species and that person knew that the clearing was likely to harm the animal.

The completed form must be submitted by email to SLM.Notifications@lls.nsw.gov.au

Privacy Information

The personal information you provide on this form is subject to the Privacy & Personal Information Protection Act 1998.

It is being collected by NSW Local Land Services and will be used for purposes related to processing your notification to manage native vegetation in accordance with the Land Management Code 2018.

Local Land Services will not disclose your personal information to anybody else unless authorised by law.

The provision of this information is necessary to process a valid notification under the Land Management Code 2018.

If you choose not to provide the requested information we may not be able to process your notification as it will be deemed invalid.

You have the right to request access to, and correct details of, your personal information held by the department. Further information regarding privacy can be obtained from the NSW Trade & Investment website at www.trade.nsw.gov.au/legal/privacy

Mr/Mrs/Ms/Miss	First Name:		Last Name:
Mailing Address:			
Business/Home Phone:		Mobile:	
Email:			
Name of person or persons who is or are to carry out the intended clearing			

CODE EXCLUSIONS	CHECK IF APPLICABLE**
Land proposed to be cleared is not on Category 2 - sensitive regulated land.	
Land proposed to be cleared does not contain native vegetation that was grown or preserved with public funds (other than funds for forestry purposes) where the obligations attached to the receipt of that funding are ongoing.	
Land proposed to be cleared is not a treatment area under any other Division of the Land Management (Native Vegetation) Code 2018.	
The area to be cleared does not contain a critically endangered ecological community.	
The clearing is not for forestry operations within the meaning of section 3 of the <i>Forestry Act 2012</i> . (This does not prevent the sale of timber from native vegetation lawfully cleared in accordance with the Code.	

**If any of the above are unable to be ticked and/or left blank, the notification will be invalid.

<input type="checkbox"/> Burning <input type="checkbox"/> Nil disturbance to soil and ground cover (for any clearing on land that is Category 2 – vulnerable regulated land) <input type="checkbox"/> Minimal Disturbance to soil and groundcover (must not occur on land that is category 2 –vulnerable regulated land)
Date of intended clearing (must be at least 2 weeks after the date of submitted notification):

Declaration and Signature

I declare clearing will be carried out in accordance with the Local Land Services Act 2013, the Local Land Services Regulation 2014 and the Land Management (Native Vegetation) Code 2018.

I certify that I have obtained written consent of all landowners for the intended clearing as specified in this notification. Clearing specified in this notification is not permitted without prior written consent of all landowners.

I declare the information provided in this notification is true and correct to the best of my knowledge.

I declare, to the best of my knowledge, that there are no remediation orders on the landholding described above and the landholding is not subject to a current compliance investigation.

I understand if information is not correct or complete it is not a valid notification and clearing cannot be carried out.

I understand clearing can only be carried out two weeks after a valid notification is submitted.
